Diane Fabretti (Supervising ACO) Sun-Thurs 916-875-3218

Bill Davidson (Supervising ACO) Weds-Sat 916-875-4054

WE'RE HERE TO HELP!

Is your foster ready to graduate? Please let us know if you think your foster is ready for adoption, we will be happy to assist you in ways to network for adopters, special adoption events at the shelter, and instruction for adoption processing.

(Please note that kittens must be at least 2 pounds and 8 weeks old!)

Is your foster in need of vaccines? Puppies and kittens receive vaccine boosters every two weeks until they are 12 weeks (4 months) old.

Please let us know, so we can schedule an appointment!

Is your foster in need of medical care? Let us know of any concerns you may have about your foster's health, and we'd be happy to schedule an exam.

Do you need help addressing your foster's behavior? Let us know your concerns, and we can provide tips/tricks to address bad manners!

We love updates! As your fosters grow, and adapt to your household, they will likely display their true personalities. Please feel free to send us pictures and share any personality traits you may think will help place them in the right household!

Ready for more fosters? Great! Please reach out and let us know, we'll be happy to find you the right fit!

Thank you for being a lifesaving foster provider!
